Dear [Recipient's Name]-optional

My name is [enter name] and I am working as [enter title] at [enter organization]. I am currently residing in [enter place]. Mr. [parent name] happens to be my neighbor since [enter period]. For some reasons, his marriage could not prove to be successful and hence ended up in divorce. However, I think, unsuccessful marriages cannot prove a person's character wrong. Because I know him and his background quite well, I can say with full responsibility that his marriage failed because his wife was not serious to get along. Otherwise, as a person I see Mr. [enter name] a person of high character. I have also observed him a few times when his child comes to meet him. He is friendly with him and takes good care of him/her too. I am sure he owns the potential to raise his child in the best of environment and hence his child should be given in his custody.

For any other details you can contact me at [123-4567-8901].

Sincerely,

**[Your Name]**
