Dear [recipient's name],

I hope this letter finds you in good health. It is a great pleasure to write to you about our welfare educational program 2017 with discounted tickets for middle school students. It is an educational workshop held specifically for students who are going to opt for their major in near future. The workshop is scheduled to be held in the next week and I am writing to invite your school to bring a group of students to attend the event. Since it is discounted for the students who are willing to attend, it will only cost 1\$ per student and in return, it will help them to choose their field of interest in the future.

We have invited renowned career counselors and motivational speakers [NAME HERE] as our guest speakers and we have an outstanding organizing committee behind this event. Different kinds of speeches and question answer sessions will be organized that will help the students to understand modern fields of studies and their scope in the practical world. We look forward to see you at the event.

Thank you very much.

Yours Sincerely,
