Dear [recipient's name],

Greetings. My name is Miss. Laura carol and I am writing this letter as the History teacher at Liverpool Middle School. I heard about your summer educational camp program a few days ago. I want to show my interest in this program of yours by volunteering as a history teacher for the camping children. This is a very good initiative and I acknowledge the efforts of the organizers for this educational and social welfare program since it is free for the students. This will benefit the kids to learn and experience at the same time during their summer camp.

It would be a pleasure to work as a volunteer teacher for this educational cause. I would love to offer my services for this camp. I will be looking forward to your invitation. You can contact me on the given numbers if you want to take up my offer.

Thank you very much.

Yours Sincerely,
