Dear Mr. [David Cameroon],

I hope my letter finds you in the best of your health. I just wanted to extend my feelings of immense appreciation and gratitude for your honest and tireless efforts over the dispute of my company's registration. I would like to commend your sound knowledge and skills of your field. Without a doubt you are a master of your craft and very aptly equipped to persuade any legal matter inside the court. You have stood by my company through and through and we value your principles of honesty and integrity. I sincerely believe that I would not have been able to get out of this issue without your help and support. Rest assured that whenever I need any help or assistance in my personal or professional legal matters, you and your firm will be my first choice and only choice. I will also recommend you to my own social circle.

I would like to thank you once again for your work and guidance at every stage of the matter.

Sincerely,

Alicia Parrey
