Dear (Recipient's Name),

We are very pleased to invite you to the first demonstration of newly launched car of the company. Our company is organizing this demonstration because it is a special featured car and has all those functions which are present in luxurious cars. It has all those features which you could never find in any other model before. The car has been designed for family and it is available at a very affordable price. We have lots of financial plans for our customers who want to purchase this car. We will be very happy to see you at the demonstration. It will be great pleasures for us to make you test drive the car.

Sincerely,

Peter Morrison
