Dear [Recipient's Name],

My name is (sender's name) and I am 22 years old. About a year ago I had a terrific accident as a result of which I lost my leg. I stayed in intensive care unit for two weeks after which I shifted to normal ward and had to stay there for three months. During all that time Nurse (Nurse's name) took care of me. By that time I was all awake and in my consciousness so I know how hard she worked to take proper care of me. When I had sleepless nights, she used to stay up with me all night. Her kind words and loving gestures cured half of my pain.

Nurse (nurse's name) is a kind of person who will always leave a warmth of love and kindness wherever she goes. I wish her the best of everything and I hope this will help her. Thank you very much.

Yours Sincerely,
