Dear (recipient's name),

This letter has been written in reference to your add in the newspaper for school's admission applications open for the year 2016. I would like to show my interest in getting admission at your prestigious nursing school. Helping people in pain and spreading happiness has always been my passion and nursing is something that makes me see my dream come true.

I have always been a bright student till high school with an outstanding academic record till now. A copy of my documents and academic records is attached with this letter. It will be a great pleasure for me to study and pursue my degree from your institution. I believe that my skills, passion, and interest in the field of nursing will be an asset to your honorable school.

I can also come over for an interview if that's necessary. I look forward to a positive response from you and to study at your renowned nursing school.

Thank you very much.

Yours Sincerely,
