Dear (recipient's name),

This letter has been written in reference to the application for a teaching position at your prestigious school. It is a matter of great pleasure and honor to write this recommendation letter for Mr. Frederick Martin as he pursues a history teaching position with Lincoln High School. As the Head coordinator at Robert Lee Middle School, I have observed Mr. Martin both as a teacher and as a friend. He has always been dedicated to his work and his passion is what makes him different among others. His motivation and maturity has always been exemplary and his hard work for this school has increased the level of excellence in teaching.

Mr. Martin has a different way of teaching and dealing with the students which is professional and friendly at the same time. He is an asset for the educational institutes undoubtedly. Mr. Martin has my highest recommendation for the position of History teacher, and I look forward to learning more about the accomplishments that lie in his professional future. I wish him all the best for his career. You can contact me at the given number anytime for further information.

Thank you very much.

Yours Sincerely,
