Dear [Recipients Name],

I am writing to express my heartiest gratitude for being so cooperative. My rental contract is ending in 15 days. It has been 8 years I have spent in the house. This was a very good time. You were always being very helpful in solving the problems. Your repairing services were very satisfactory which I have utilized for minor issues. My family is also very grateful to you for cooperating in difficult times when I was out of the station. You always made me comfortable in the hour of need. Above all, the house was very comfortable. And all utilities have not encountered any big problem so far. I will recommend it to my family and friends. Words are not enough to thank you. Wish you best luck always. Hope to stay in touch.

Thank you.

Yours Truly,

Tom Daniel
